

# Anagrams

An *anagram* is a word which is created out of a different one by means of exchanging the positions of the individual letters, e. g. PALM → LAMP.

Try to find out the anagrams of the words given and write them into the empty boxes.

BUD

TOP

PAL

BUST

LIME

KIDS

CHEAP

HARPS

NEVER

MANILA

RUSTLE

TESTER

TAVERNS

SENATOR

TERRAIN

Now find out for yourself three different words and their anagrams!
