

The Ferris wheel puzzle

Read the instructions carefully, then write on each of the gondolas the name of the person who sits in it. Attention: only one person may sit in each gondola!

1. Anne (A) and the Backpack (B) sit in two neighbouring gondolas.
2. Mom (M) and Mr. Laptsev (L) are not in neighbouring gondolas but each of them sits in a gondola which is neighbouring to those of Anne and the Backpack.
3. Mr. Quirck (Q) is in the lowest gondola.
4. Boo (BO) is in the gondola which is directly opposite to that of Anne.
5. Grandpa Hedgehog (GH) and Mr. Laptsev are in gondolas neighbouring to that of Mr. Quirk.
6. Justa Diva's (JD) gondola is directly opposite to that of Mr. Laptsev.
7. The gondola of Grandpa Hedgehog is deeper down than the one of Boo.
