

So what now?  
How can get out of here?

A long time passed before Anne gathered the courage to investigate the environment. At first she decided to go to the right.

Hello!

Put your money in the slot and I shall see that the web is raised immediately.

No one gets past me without payment, that's for sure.

Money? But I don't have any of it!

Wait just a little longer till I find time for you, my sweet. It's my lunch break soon.

Let me go at once! You monster! I haven't done anything to you!

Help! Oh my! He's going to eat me!

Anne set out in the other direction. Soon the path led her to a wide, open area. A vast swamp stretched out as far as the eye could see, and was dotted with little islands on which stood fat tree stumps.

Darn it, is there something here which doesn't belong to that Heino?

Well, at least there is no spider here. Maybe I could outsmart the machine then?

But this turned out to be not a good idea ...
